RICHARDSON, Texas (November 11, 2016) – [Service King Collision Repair Centers](#), together with automotive leaders from across Northern California, celebrated the grand opening of one of the largest and most advanced collision repair facilities in the state Wednesday. The event hosted local residents and leaders as Service King of Milpitas officially commemorated the completion of its 70,000 square foot upscale facility.

"The entire Service King family is proud of this repair center," said Wesley McAlester, Service King Market Vice President for Northern California. "Today is a special celebration as we take our first step in serving the entire Milpitas community with superior collision repair service. We look forward to growing alongside our new neighbors today and well into the future."

The immaculate automotive repair center officially opened for business on Aug. 22 before the company publicly celebrated the grand opening Wednesday. Today, it boasts the capacity to repair more than 600 vehicles per month.

The mammoth repair center is not only one of the largest of its kind in the state, but the City of Milpitas recently recognized Service King [with its annual Beautification Award](#). Inside, the facility features an array of first-class amenities including an upscale waiting area, water features, and an open concept modern design. Meanwhile, Service King teammates are treated to a best-in-class workplace, including an oversized break room featuring stainless steel appliances, a luxurious locker room and the industry's best-in-class repair equipment.

Service King, an industry leader in high-quality collision repair service, operates nine location in northern California and more than 300 locations in 23 states across the U.S. For more information on Service King and to view a complete list of local repair centers visit www.ServiceKing.com and follow the team on [Facebook](#), [Twitter](#) and [Instagram](#).
