**RICHARDSON, Texas (November 7, 2016)** - [Service King Collision Repair Centers](#)<sup>®</sup>, one of the fastest-growing and most trusted providers of high-quality collision repair service in the U.S., today announced the opening of its 85<sup>th</sup> Texas location with a new repair center in southwest Houston.

The high-quality repair center is located at 13525 Alief Clodine Rd. within Houston's rapidly growing energy corridor. The organization now operates 22 repair centers in the market with 306 locations in 23 states across the U.S. All Service King Collision Repair Centers provide motorists with certified repairs, best-in-class workmanship and lifetime warranties honored at any location.

"The Service King family is thrilled to continue providing the Houston area with superior collision repair service," said Justin Regan, Service King's Houston Market Vice President. "It is important to our team to continue providing our valued customers and insurance partners with convenient options for high-quality, dependable service. The Houston area has proved a great fit for Service King and we're confident this repair center will serve as a prudent step in our growth plans."

The location boasts 13,500 square feet of production space with the capacity to repair 150-175 vehicles per month. Service King, with home office operations in North Texas, first expanded its family of repair centers to the Houston area in 2008.

Service King is celebrating its 40<sup>th</sup> anniversary in 2016. For more information on the organization and to view a full list of repair centers, visit the company [online](#) and follow Service King on [Facebook](#), [Twitter](#) and [Instagram](#).
