RICHARDSON, Texas (December 6, 2017) — [Service King Collision Repair Centers](#)[®], one of the nation's fastest-growing and most trusted providers of high-quality automotive repair service, today announced the opening of a new Houston, Texas location. The repair center officially opened for business Wednesday, Dec. 6, at [8943 Gulf Frwy. in Houston](#) and continues the organization's ongoing national growth strategy.

With the new repair center, Service King grows to 23 Houston locations and a total of 334 locations in 24 states across the U.S. The Richardson, Texas-based company opened its first Houston location in 2008.

"This is another proud step in our continuous growth across the Houston community," said Justin Regan, Service King's Houston Market Vice President. "We are certainly proud of this new location and look forward to providing our longtime Houston customers and business partners with an expanded lineup of high-quality collision repair centers."

The 27,000+ square-foot facility provides Service King the additional capacity to repair about 200 vehicles per month. Meanwhile, the location has been custom designed and outfitted to suit Service King's high-quality repair operations and will now employ about 35 teammates.

Service King, with more than 40 years of experience in the industry, provides high-quality repairs to all makes and models on the road while backing its work with a written lifetime warranty.
