RICHARDSON, Texas (December 18, 2017) — [Service King Collision Repair Centers](#)[®], one of the nation's fastest-growing and most trusted providers of high-quality automotive repair service, today announced the opening of its 37th Dallas-Fort Worth location. The announcement comes amid the organization's ongoing strategic national growth plan and marks Service King's second DFW location to open in the last two weeks.

Service King has provided DFW customers high-quality collision repair service for more than 40 years. The new 98,000 square foot collision repair center, located at 1910 Crown Dr. in Farmers Branch, will exclusively service vehicles from across the area that have sustained significant damage. As a Non-Drive Collision Repair Center, Service King has staffed the location with experienced and certified technicians specially trained in major damage restoration.

"The Service King family is extremely proud of our long history of serving the Dallas-Fort Worth community with a best-in-class collision repair experience," said Shawn Dyer, Service King Market Vice President for Dallas-Fort Worth. "We look forward to providing our business partners this elevated level of specialized collision repair service across the market. It is yet another step forward in Service King's mission to be the collision repair operator of choice."

Service King now operates a total network of 335 collision repair centers in 24 states across the U.S. providing all customers a written lifetime warranty on all repair work. As an industry-leader with more than 40 years of experience to its name, Service King Collision Repair Centers services all makes and models of vehicles on the road.
